Competitors in classes MW21E (WRE Men and WRE Woman) will have to carry GPS devices provided by the organizers. A list of the competitors who will be required to carry GPS devices will be provided the same day when the start lists are published on the event webpage. If an athlete refuses to carry the GPS provided by organizers, it will lead to the competitor disqualification.

GPS devices will be handed out 10..15 minutes before the respective start of the runner near the start area and must be returned at the finish.
